

PeeWee Pro's Becomes a Proud Corporate Sponsor of Plainview Old Bethpage Soccer Club

Plainview, NY – October 1, 2009 - PeeWee Pro's announced today that it has partnered with the Plainview Old Bethpage Soccer Club (POBSC) as a corporate sponsor of the PeeWee/Kindergarten 2009/2010 Intramural Season. Under this agreement, PeeWee Pro's will become the proud sponsor of a POBSC girls' soccer team for the fall and spring seasons.

In addition, PeeWee Pro's has announced that on October 24, they will be holding multiple clinic sessions at the First Annual POBSC Sponsorship Day. The first 75 children to participate in the clinic sessions will be given a PeeWee Pro's Soccer Beach Ball.

Russell Willens, Chief Executive Officer for PeeWee Pro's said, "The cornerstone of our program is to build fundamental movement skills through the use of sports. Soccer is the most widely played sport around the world. The combination of foot/eye coordination, kicking, running, direction change and balance makes it the ideal mechanism to teach young children various motor skills in addition to building their self-confidence. We are excited to partner with POBSC. Their commitment to working with younger children is a perfect fit with PeeWee Pro's."

PeeWee Pro's Inc., headquartered in Plainview, NY partners with day care centers, preschools and kindergarten programs to offer an age appropriate, fundamental athletic program. The multi-sport curriculum teaches the fundamental movement skills, physical activities and basic knowledge and preparation for the everyday sports and games a child wants to participate in, enjoy and play. The attributes learned throughout the program help build upon the self-confidence and social skills being developed within the school curriculums.
